

CCTV

Astbury... for all your CCTV repair, installation or maintenance requirements.

From stand-alone single camera systems temporarily installed in “void” properties providing additional intruder protection, to multi-camera real-time CCTV systems from the leading manufacturers.

We are able to offer the choice of traditional co-ax or wireless, I.P and HD-SDI based systems and many of our systems have the ability to be accessed ‘off-site’ via PC or Smartphone

Astbury can also provide full maintenance contracts with 24/7 emergency response and provide the level of service you expect and deserve.

- **Live images via internet, direct to your Smartphone or Tablet!**
- **Fixed term leasing finance available.**
- **About ten words for each feature or benefit per bullet.**
- **Maintenance contracts for the life of the system.**
- **Remote 24 hour monitoring and alerts.**
