

Powered Gate Safety Compliance

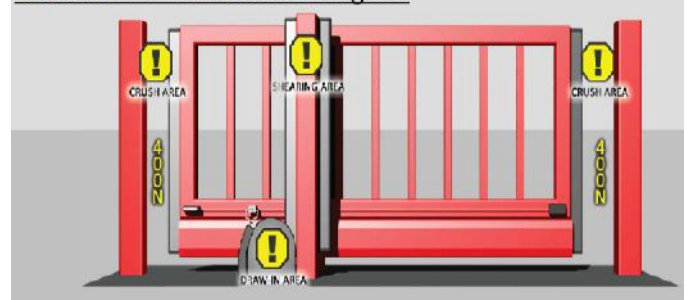

Are you a gate owner / operator?
Are you aware of your “Duty of Care”?

The following documents should be readily available when requested by an Enforcement body (HSE)

- Gate description, drawings & electrical schematics.
- Risk assessment for the gate/site being installed.
- Force testing results.
- List of supporting standards (When using BS EN13241-1 Part 1).
- Conformity documents from drive unit manufacturer.
- Installation instructions for drive units, safety devices etc.
- Operating instructions for the product & maintenance log.
- A copy of the declaration of conformity.
- Information must be kept on file for a minimum period of 10 years.

BS EN12453 – Areas of risk on gates
