

Powered Door Solutions

Selected Drive Mechanisms to ensure years of trouble free operation.

Whether for new construction or retrofitting to existing doors, Astbury ensures your compliance with the Equality (DDA) Act.

Remember also, an open door contributes to global warming! Save energy by installing automatic power doors.

Naturally Astbury are able to interface your access control system to operate our powered door installations

- Save energy, open doors waste your heat.
-
- Improve security.
- Fully automatic (manual override available).
- Equality (DDA) Act compliant.
- Unlimited custom configurations.
